Yellow River Wind Farm

Public Consultation - Feedback

No.	Name	Address	Telephone No	Comments
1	Noel Duigenan, Eily Duigenan	Rochfortbridge	087-2463972	Having met with representatives and discussed details of the wind farm project, I am happy to give my support. All displays were very clear. Personnel were very friendly. I'm sure we can work together for the benefit of this project. Good luck!
2	P. Maskersion	Fahy Rhode, Co. Offaly	087-2711963	I approve of the idea of wind power
3	Paul Stephenson (Director Rhode Parish Enterprise Association)	Rhode, Co. Offaly	087-2577119	Location appears not close to village. Visual Impact does not appear to be a problem. Hope that local labour and materials will be used as much as possible- would like to see locals employed on full time basis.
4	Stephen Hyland	Rhode, Co. Offaly	046-9737104	This is a very worthwhile project and I welcome it strongly. It will be a welcome addition to Rhode and Environs.
5	Mary Dillon	Rhode, Co. Offaly (comcenrhode @eircom.net FA0. Mary Dillon)	087-7536752	T13 approximately 500m from house. Send on details of micrositing
6	E Baun	Garr, Rhode		Great Project. Very Good for the Area.
7	Laura Lenihan	Ballyburley Rhode (lenihan@yaho o.ie)	086-3782010	I live in Ballyburley and would like to know about the noise from 14+15.
8	Jackie Hickey	Ballyburley Rhode,	086-1024825	Nice to see this development going ahead as it would

9	Pat Lenihan, Laura Lenihan	Co. Offaly Ballyburley Rhode,		bring employment to the area and income to some of the land owners. It would be wonderful to see a development of this nature
		Co.Offaly		fulfilled in our area.
10	Rosie Stones	Ballyburley Rhode, Co. Offaly	046-9737402	I would welcome any development in my area that would help local people in the area in general.
11	Noel Murphy	Ballyburley Rhode, Co. Offaly	086-8282966	As a member of this development, I am fully behind this venture. It is wonderful to see an Irish owned company take on this exciting project. I have found people involved in this project to be very up front and courteous in all aspects of their work.
12				I welcome all construction projects.
13	Christy Hickey	Ballyburley Rhode, Co. Offaly		I would support this development.
14	Mary Murphey	Ballyburley Rhode, Co. Offaly	046-9737420	I am a resident of the local area. I would be very pleased to see the development of a wind farm take place here. Its great to see an Irish company develop this project.
15	James Murphy	Ballyburley Fahy Rhode Co. Offaly	087-8208057	I James Murphy would like to see this company operating in Rhode and surrounding areas, firstly as I would be a supporter of Green Energy and also because it would help the economy in this area. I would also be interested in any steel works for contract as I run my own engineering company in Ballyburley, we at present employ fourteen

				staff and they are all living local. You have our good wishes with this project.
16	Eamonn Naughton	Jonestown, Edenderry	086 8512877	I welcome this proposed development, the country needs more of the same, green energy is badly needed and the location is great and not bothering anyone.
17	P. J. Fahy	Mount Lucas, Rhode, Co Offaly	086 2462584	I welcome this development, it will bring badly needed cash to area and will help us not to be as dependent on oil. More clean energy like this is badly needed.
18	Edward Naughton	Martinstown, Johnstownbridg e, Enfield, Co Meath	086 2223489	This would be a wonderful development for the Rhode parish. Energy from wind is total progress. This project will create jobs and inject money into the community.
19	George Edgill	Mount Wilson, Edenderry, Co Offaly	046 9731507	This proposed development is a very exciting project. The people in the Rhode area needs this badly and the country needs it and more of the same.
20	Suzanne Lacey	Martinstown, Johnstownbridg e, Enfield, Co Meath	087 9917632	I am very supportive of this initiative as it creates a significant number of jobs in the area and is also positive for green energy.
