

Dear Nuala,

I have checked the proposed Turbine layout as detailed below and can confirm that there is no conflict with the eircom microwave radio network

	<u>Easting</u>	<u>Northing</u>
T1	246732	236362
T2	247210	236362
T3	247123	236782
T4	247635	236782
T5	247635	237187
T6	248530	236976
T7	249352	236407
T8	250187	236156
T9	250565	236006
T10	251119	235699
T11	250724	236496
T12	251130	236092
T13	253668.5	235160.8
T14	254181	235482
T15	254359	235887
T16	254727	237571
T17	255113.9	237769.8
T18	255557	237801.8
T19	256799	238254
T20	255856	239047
T21	255887	238676
T22	254789.4	238245
T23	254930.5	238581.6
T24	253856	239135
T25	253271.9	239139
T26	253285.4	239520.8

T27	252501	239834
T28	253429.1	239970.3
T29	253023.5	239660.8
T30	253394	240494
T31	254509	241132
T32	254120	241523

Best Regards
Thomas Sheridan.
