**Re: Yellow River Wind Farm, north of Rhode, Co. Offaly**

Dear Mr & Mrs Murphy,

It has come to our attention your lands have been inadvertently included in our mapping within our landholding boundary. This, unfortunately, was a mapping error that was not detected by ourselves or our Client before we lodged the application. No development is proposed on the non-associated lands. This discrepancy will be discussed with An Bord Pleanála and mapping will be reproduced, at the earliest opportunity, showing the non-associated lands highlighted as an area where no development will take place.

Our sincere apologies for causing any undue inconvenience or concern as a result of this discrepancy. We will endeavour to rectify the error at the earliest opportunity.

Yours sincerely,

**Nuala Carr**
